

# PARTNERING WITH THE FUTURE

Exclusive Communication Channels for Investment,  
Partnership, & Project Development in MetaRang.

MetaRang: The Sovereign Global Decentralization Charter.

# A SOVEREIGN PARALLEL WORLD

MetaRang is not merely a platform; it is a civilization driven by code and community. Built on Iranian roots with a global vision, it utilizes 'Dynamic Frameworks' to move beyond traditional planning into adaptive, AI-driven evolution.

**Global & Decentralized:** Independent of political intermediaries.

**Sovereign Citizens:** A space where Code is Law.

**Innovation Hub:** Entrepreneurship, education, and international trade.

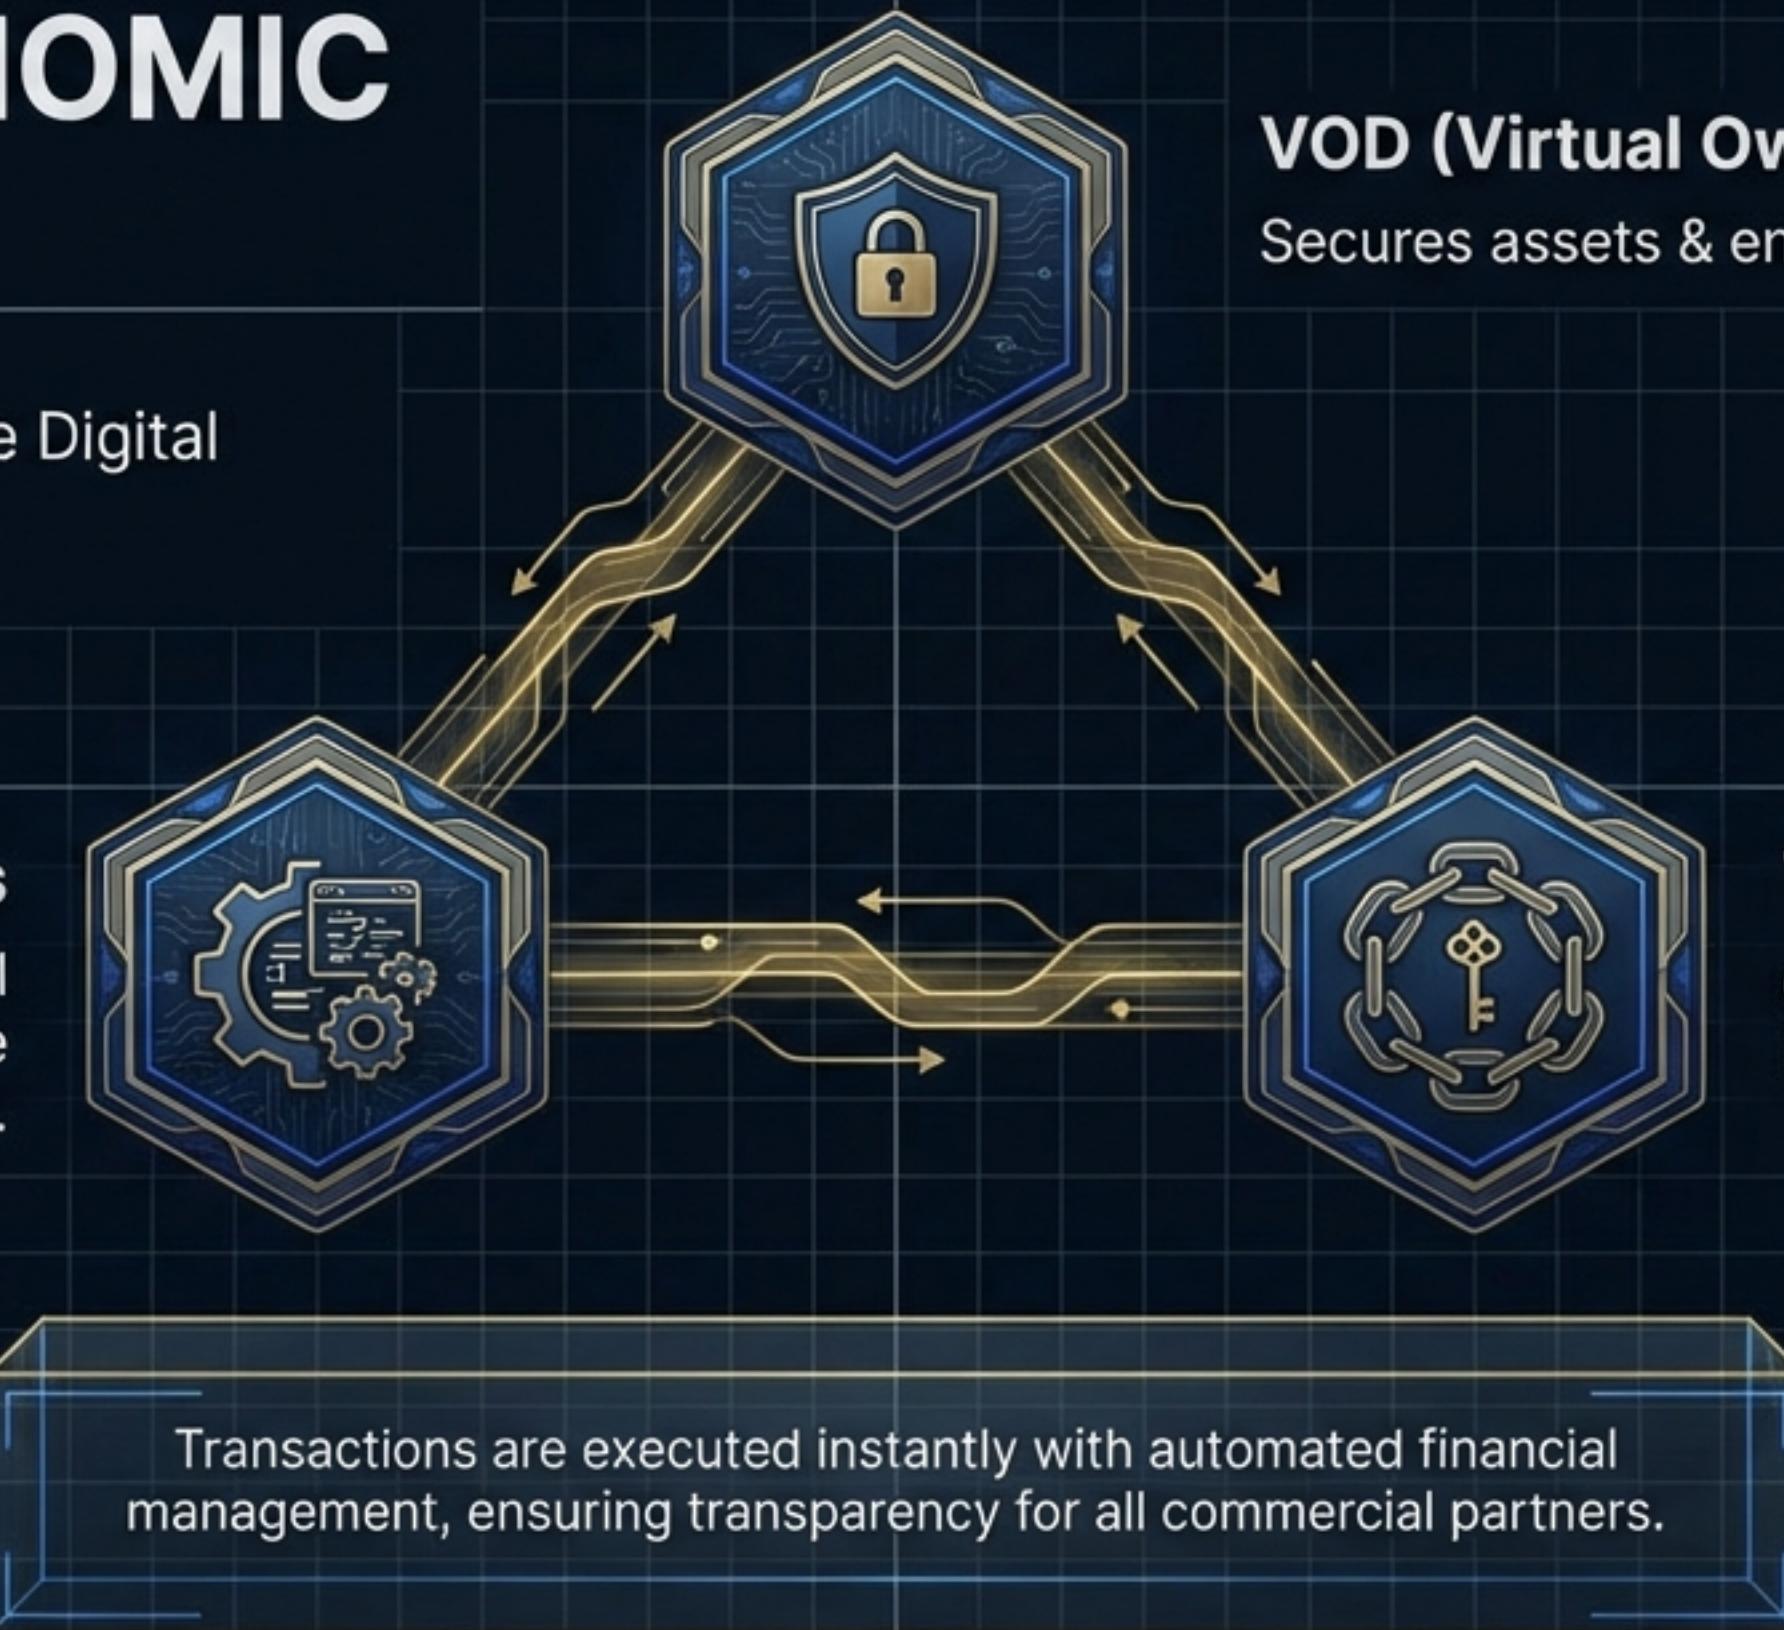

# THE ECONOMIC ENGINE

Infrastructure for Secure Digital Ownership.

## Smart Contracts

Automated commercial transactions & revenue sharing.

## VOD (Virtual Ownership Deeds)

Secures assets & enables trading.

## The Chain of Paradise

Cooperative holding backing the ecosystem.

# THE STRATEGIC GATEWAY

# SCOPE OF INTERACTION

Who is this channel for?

## INVESTMENT & DEVELOPMENT

Capital injection, strategic partnership, and project expansion.

## B2B & BRANDING

Joint ventures, corporate integration, and commercial cooperation.

## CONSTRUCTION & EXHIBITION

Booth implementation and metaverse structure design.

# ARCHITECTURE OF THE VIRTUAL

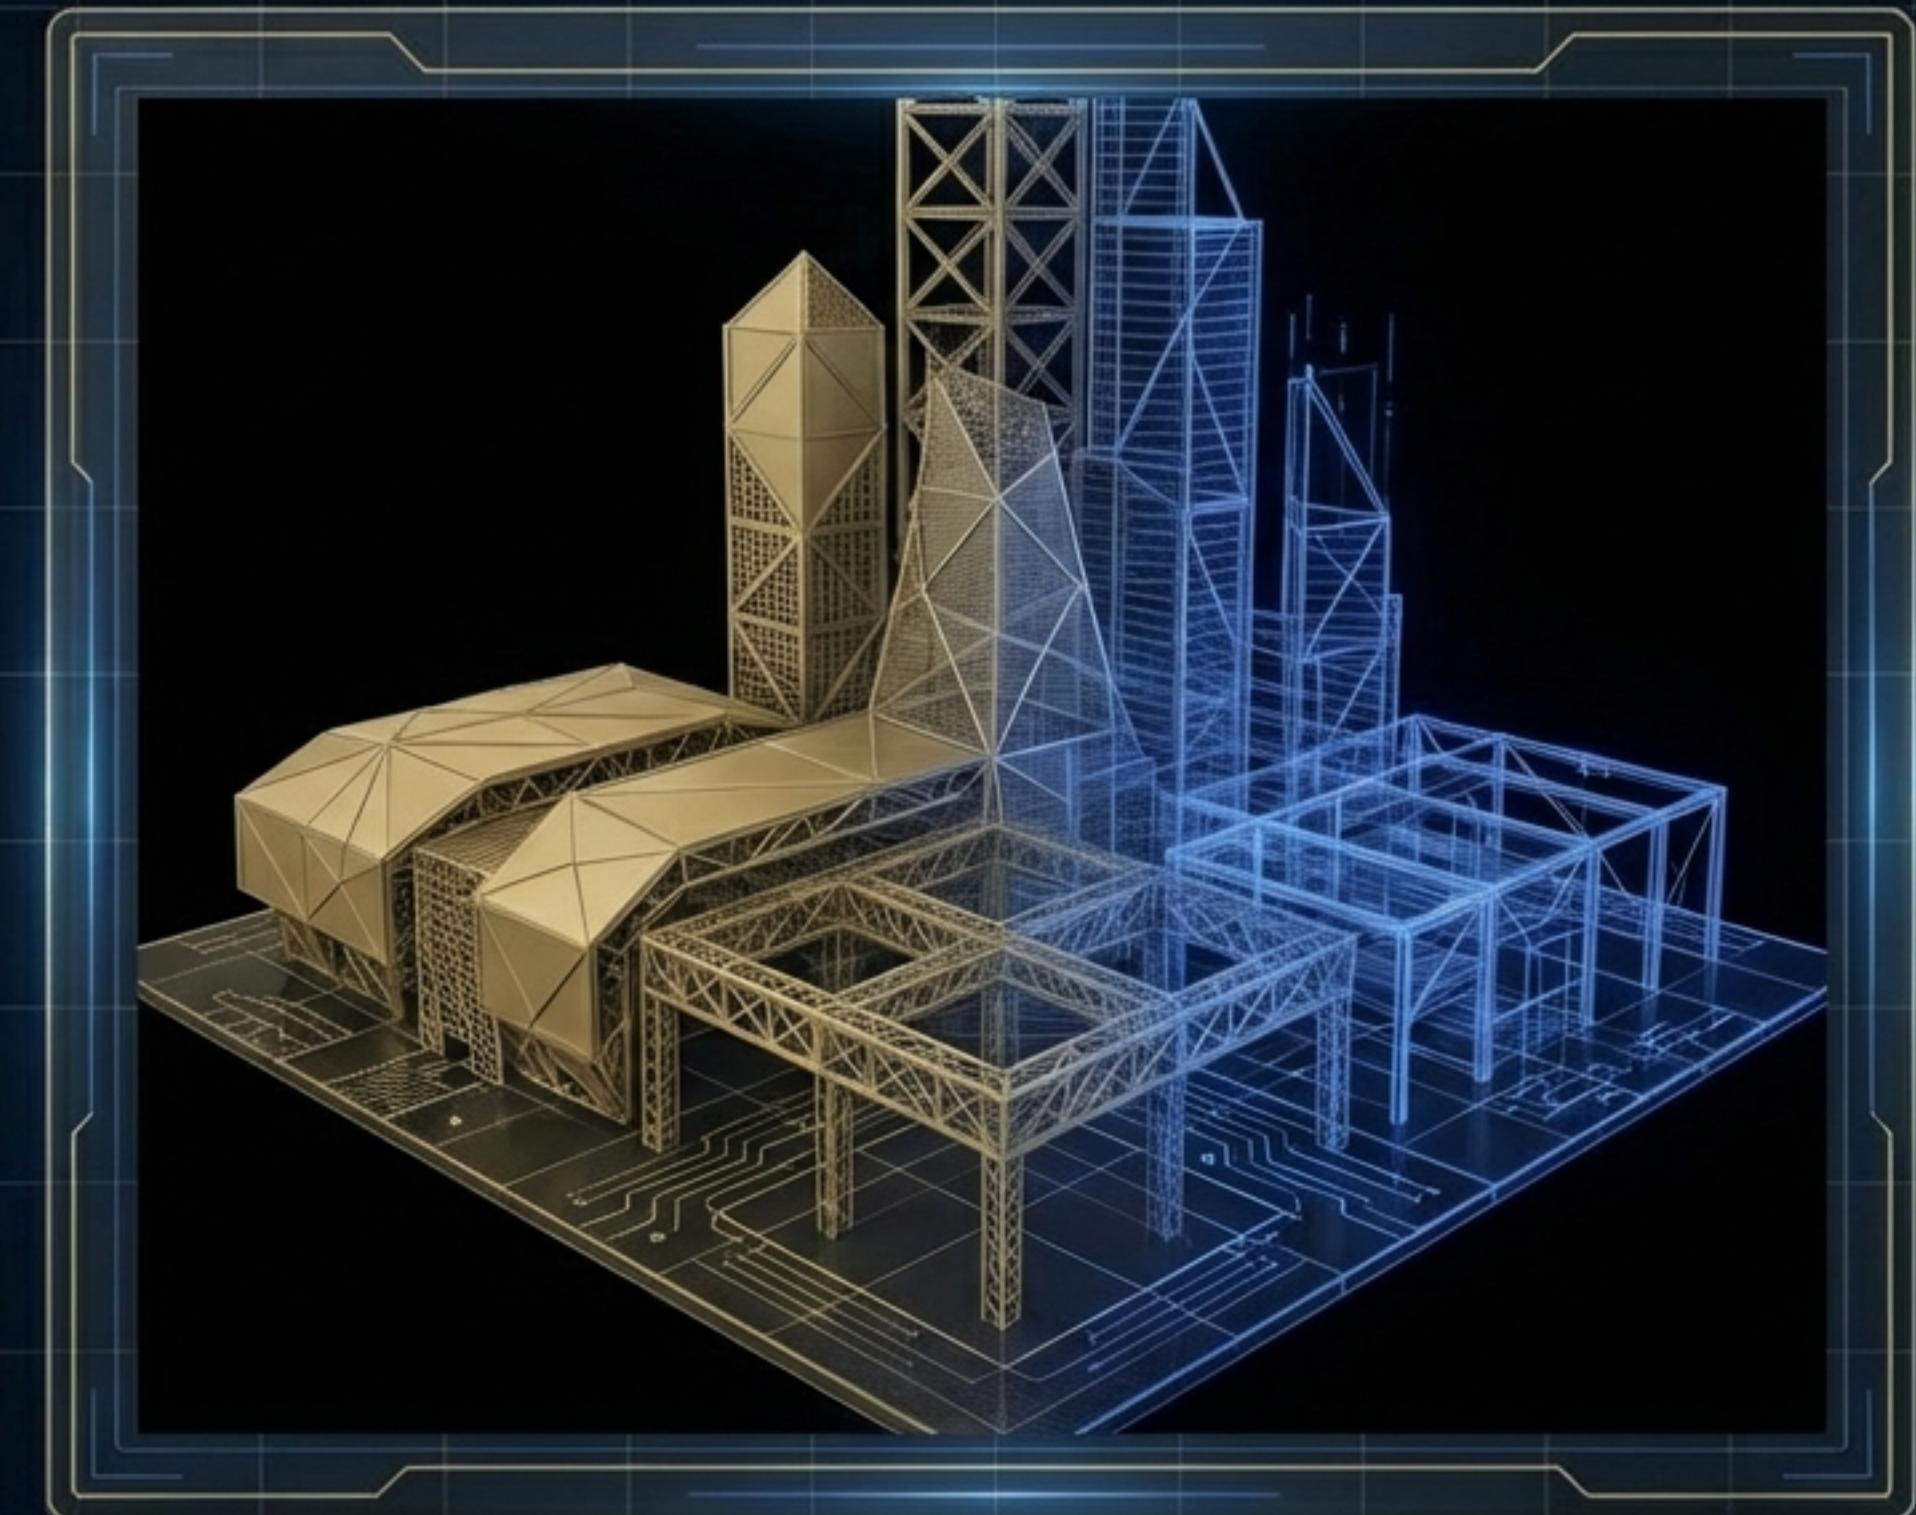

• • •

A primary function of the partnership channel is to onboard creators for Construction and Exhibition Design.

Opportunities:

1. Design and execute virtual booths.
2. Construct permanent metaverse structures.
3. Collaborate on large-scale infrastructure projects.

• • •

# ACCESSING THE HUB

Step 1: Locate Communication Channels.

Navigate to the Contact Us module within the MetaRang interface. We believe the development of this parallel world is only possible with public participation and consensus.

# SELECTING YOUR PATH

Step 2: Choose the Strategic Category.

General Support

Technical Issues

Special for investment requests, partnership  
and development.

Routes directly to  
Business Development  
& Construction Teams.

# DEFINING YOUR PROPOSAL

## Step 3: Best Practices for Submission.

Write your message here...

### PROPOSAL CHECKLIST

- **Project Nature:** Clearly state if this is Capital Investment, B2B Branding, or Construction.
- **Scope:** Define required resources and timeline.
- **Credentials:** Link to company portfolio or individual background.

SUBMIT

# SECURE INFRASTRUCTURE

**Microservice Architecture:**  
Scalability & Stability.

**Security Audits:**  
Enterprise-grade data protection.

**Chain of Paradise Support:**  
Legal backing by the cooperative holding.

# INFLUENCE THE FRAMEWORK

The Concept of 'Had-e-Tasir' (Impact Limit).

Partners are not passive observers. The infrastructure is built on the unit of 'Impact Limit,' allowing your ideas and investments to directly steer the development of the virtual world. Direct synergy with the MetaRang Association and Metaverse University.

# THE PARTNERSHIP ADVANTAGE

**Priority Review:** Direct line to management and decision-makers.

**Custom Integration:** Specialized support for B2B and construction needs.

**Early Access:** Position your brand in the world of 1404 (2025/2026).

# BUILD YOUR LEGACY

Submit your proposal  
through the designated  
channel today.

-  **Physical Office:** No. 45, Pouya Dead End, Mollasadra St., Qazvin.
-  **Entity:** MetaRang / Chain of Paradise Cooperative.
-  **Support:** MetaRang Association & Metaverse University.

"Your opinions and suggestions are the driving force of this great transformation."
